SUMMARY

Junior mining engineering student with a minor in geology at Nazarbayev University. Experienced in core logging, geological mapping, geotechnical analysis, and fieldwork. Skilled in geological data analysis and passionate about mineral exploration. Two-time winner of the International Geography Olympiad (equivalent to the IMO in geography) and coach of the national geography team.

EXPERIENCE

Nazarbayev University

Astana, Kazakhstan

Research Assistant, Part-time

Aug 2025 – Present

- Working with Professor Milovan Fustic on Carboniferous–Devonian copper mineralization in the Chu-Sarysu Basin; responsible for paleogeographic reconstruction, fieldwork, sampling, thin-section analysis, and outcrop modeling.

First Quantum Minerals

Jezkazgan, Kazakhstan

Field Geologist, Internship

May 2025 – Dec 2025

- Conducted geological core logging, orientation, pXRF analysis, photographing, magnetic susceptibility, core recovery calculations, alteration intervaling, and geological modeling in a world-class copper exploration project.
- Completed a 3-month summer and 1-month winter internship 60 km from the nearest village in remote field; responsible for facies modeling, paleontological core description, and Chu-Sarysu basin analysis. 🔗

SmartView Innovations (Startup)

Astana, Kazakhstan

Member of Technical Staff, Part-time

Oct 2024 – Mar 2025

- Worked on fine-tuning YOLO Worldv8 models for mining sector applications, focusing on data labeling and hyperparameter optimization for real-time object detection.
- Contributed to a drone detection project with Brandt LLC (1.4M tenge monthly contract) that reduces wobbler inspection time from 4 hours to 20 minutes through AI-powered detection with 98.1% accuracy. 🔗

Daryn RSPC

Astana, Kazakhstan

National Team Coach & Jury, Volunteering

Feb 2023 – Present

- Created 120 unique tasks for municipal, regional, and national geography olympiads, specializing in geology, geomorphology, demographics, and urban studies; juried at the Republican Olympiad in 2024 and 2025 with 50,000+ participants across all cycles.
- Coached the national geography team; students achieved 2nd place in the team ranking at IGeo Bangkok 2025. 🔗

National Geographic Qazaqstan

Astana, Kazakhstan

Translator, Internship

Dec 2021 – Jan 2023

- Published 25 National Geographic articles into the Kazakh language, reaching more than 14,000 online readers. 🔗
- Managed content on technical and space innovations and edited 11 articles contributed by others. 🔗

EDUCATION

Nazarbayev University

Astana, Kazakhstan

B.Sc. in Mining Engineering (GPA: 3.55/4)

Sep 2023 – Jun 2027

Minor Degree in Geology

SKILLS

Programming: R, HTML, Python (NumPy, pandas, scikit-learn, Matplotlib, PyTorch, OpenCV), Next.js, TypeScript.

Tools and platforms: VS Code, LaTeX, SolidWorks, After Effects, Adobe Photoshop, ArcGIS, Leapfrog Geo, QGIS, Pix4DMapper, Imago Seequent, LogChief, Reflex IQ-Logger.

AWARDS & ACHIEVEMENTS

Academic Awards:

- International Geography Olympiad Istanbul 2021 - Silver medalist (top 25 worldwide) 🔗
- International Geography Olympiad Paris 2022 - Bronze medalist
- International Earth Science Olympiad Aosta 2022 - Bronze medalist
- European Geography Olympiad Belgrade 2021 - Bronze medalist
- Republican Geography Olympiad: Gold medalist - 2022, 2021 | Silver medalist - 2020
- KazMinerals Reacthon Hackathon 2025 - First Place 🔗

Appreciation Letter: Letter by the President of the Republic of Kazakhstan for exceptional achievement. (Sep 2022)

Academic Prize: "El Maktanyshy" - Governmental academic prize - \$4594 US dollars. (Aug 2022)
